Dear Birchwood Community,

Hello, my name is David Rosen and as part of the Cleveland World Festival on Sunday, August 2, I am going to be performing my song “Change Your World” which was inspired by the Mahatma Gandhi quote: “Be the change you want to see in the world.”

Part of the song has a call-and-response section where we will be singing the phrase “Change Your World” in different international languages. The organizers of the festival and I both feel that the wonderful diversity of Birchwood students and parents would be a great fit for helping us with this part on stage.

If you listen to the MP3 linked to the Birchwood News email, you’ll get a good idea of what we have in mind. The languages we choose for the live performance can be based on the country of origin of our participants.

The song will be performed between 6:30 to 7:30 p.m. in the evening. Those who will be participating in the sing-along can meet with me an hour before the performance to become familiar with the song and how it will be performed on stage. I also hope to be able to send everyone who participates a short MP3 that has the languages on it so they can practice at home.

I welcome your participation in the song and look forward to working with members of the Birchwood community. Please contact me at David@OrdinaryMiracles.com or 440-785-7239 to be a part of this event.

I really appreciate your help with this project!

Sincerely,

David Rosen
