

Birchwood Football League 2011 Season
Training Camp, Friday Sept. 9 & 16
Season Opener, Friday Sept. 23

The Birchwood Football League will commence its fifth season of flag football. Practices and games are after school on Fridays from 3:30 to 5:30 pm. Training camp will be two practices on Friday September 9th and 16th. The season will be six games from September 23th until October 28th. The league is open to 5th, 6th, 7th, and 8th graders. To defray the cost of equipment, each participant is asked to bring a \$5 season's fee (per family) and waiver (signed by a parent or guardian) to the first practice on September 9.

In the event of rain, cancellation will be announced before 2 pm. We will try to make up rained-out games. Please provide cancellation contact information below (so that you can re-plan your afternoon).

League organizers are careful about safety. Parents and players should realize that flag football can be dangerous. Organizers will enforce rules about unnecessary roughness, focused attention, and general safety.

Other parents are welcome to participate with time-keeping, etc. Let us know if you have some time.

Of course, spectators are welcome. There usually is a tailgate party.

Bring this form to your first practice.

Please provide an email contact for general information: _____

Please provide a rain cancellation contact: _____
email (preferred) or Phone/Cell: _____

Student's Name and grade: _____

Parent's Signature: _____

Parent's signature indicates that the parent approves the participation of their child and understands that there is some risk to their child when playing flag football. Further, the parent waives the right to claim against the organizers and/or Birchwood School.
