

2011-12 MATH CLUBS

Thursdays, 3:30 - 5:00 Math Team practice beginning 9/15

For students in grades 7 & 8 (sixth graders may join with Mr. D's permission). The club will follow three lines:

1. Timed work on chapter level problems (Sprint, Target, and Team) to build up problem recognition skills and fluency.
2. Topical problems on the chapter and state level from the 2011-12 Handbook and earlier Handbooks.
3. Review of tools and strategies as they apply to the above.

FEE: \$10 for snacks.

Tuesdays, 3:30 - 4:30 Jr. Math Team practice beginning 9/27

For students in grades 5 and 6 who are proficient in all whole number operations and are familiar with fractional, decimal, and percent operations. This club will focus on:

1. Basic problem solving strategies taken from Math Olympiads contests.
2. Foundational work in counting, probability, combinatorics, number theory.

FEE: \$5 For club snacks

REGISTRATION: Sign this note and submit to Mr. Debelak with club fees.
