

Parent Meeting notes November 4, 2011

Present: Jean Bjorn, Jonathan Beck, Gail Glamm, Lisa Poole, Nina Zwolinski and late entry by Mrs. D.

Parent room renovation currently on hold due to IFA and Poetry show preparations. A small update given by Lisa Poole related to plans and measurements. Push for room completion after these events.

Mrs. Kufal could use more help for picture day on Nov. 14. Nina is already helping. If anyone is able, please let Mrs. Kufal know.

Early dismissal for Nov. we will encourage project completion for IFA. If we are fortunate to have great weather, Lakewood Park will be our stand-by. Dec. possible a bowling outing. Possible one that lets us bring in food. Parents could bring food and we could have a pre winter break celebration. A cookie exchange?

Teacher lunch is done by 6th grade this month. There are only seven students. Gail Glamm is to see the class support. We may ask some of 3rd grade (19 students) to participate for Nov. Donna Parino had stopped in the room and noted that teacher lunch is planned to serve 20. Gail to follow up if help needed.

A parent emailed a concern of cars "jumping the queue" over already waiting cars at pickup. The group is at a loss for a permanent solution and is concerned about the safety of our children and respect for other parent's time. An email was sent after the meeting by Jean to Linda Brown about this issue. Any further input is appreciated.

The remainder of the meeting was devoted to the IFA.

--auctioneer is secured

--software is purchased for pre ticket buying and easy check-out with a credit card on web site. Software helps organize IFA!

--notice to be sent out on how to use function

--push for donations-drop off days planned

--logistics reviewed--kitchen, volunteers, check-out
